It's All About the Love

In It's All About the Love, Jennifer shares a lovely gift from a student. The trio discuss why it's important to create trusting relationships with students and how to build that trust. A tried and true strategy, Think-Pair-Share is highlighted.

Adding Value to Your Lessons

We explore how to plan so students continuously practice communicating, critical thinking, collaboration, and creativity. The goal is to help students learn skills they will be able to do forever. Clay modeling is the highlighted strategy.
